CLUB NOTES

GOOD PERFORMANCES IN RECENT GAMES

Four good performances stand to North End's credit since Club Notes last appeared. The seniors returned to winning form with well merited victories against Derby County and Cardiff City. The reserves held the Central League leaders to a draw, and the boys knocked Blackpool out of the F.A. Youth Cup.

In beating Derby County at Deepdale a fortnight ago, North End restored their point-a-game record and ended a run of nine games without defeat by the "Rams." Our team seized the initiative at the outset and played spiritedly throughout, there being no complaints from a 10,377 crowd in this respect.

The only disappointment was that long periods of superiority by North End did not yield more goals, the side having to be satisfied with two scored in the first 13 minutes by promoted wing half Stanley Lapot and winger Ernie Hannigan. Derby were stubborn in defence but our inside men did not take their chances.

The defence played solidly together in denying a goal to Derby's usually free-scoring attack. This general improvement by the Deepdale side was maintained in the subsequent away match with Cardiff City, who have not beaten North End for five years. It resulted in a deserved third away win of the season by 3-1.

Alex Dawson put is side in buoyant mood by getting an early goal. It was his 12th of the campaign and his 100th in the League for North End in a total of 158 appearances. In addition this whole-hearted centre forward has scored valuable goals in the F.A. Cup in proving himself a capable and willing servant of the club.

CLUB NOTES—*continued*

Lapot's second goal in two matches gave North End a highly encouraging lead to which Cardiff, by piling on pressure as half time approached, replied with one from Johnston. The issue, which was open for some time, was settled by Ernie Hannigan who shot a spectacular goal after a brilliant dribble of 40 yards.

This goal, which was the reward of skill and speedy penetration, was voted one of the finest solo efforts seen at Ninian Park in recent years, and it was Hannigan's third in successive matches. There have been four from our wingers in six games, compared with only one in the previous 18 first team games.

Sheffield United Reserves, having lost only one match this season, came to Deepdale confident of success and were a capable side. They scored three goals against a defence which had conceded only nine in the preceding 11 matches. But honours were even through North End replying with three.

The improvement in the Central League side's record has given much satisfaction and is reflected by the loss of only two of their last 13 games, both by the only goal in away matches against Sheffield Wednesday and Aston Villa. We won seven and drew four of the remaining 11, including an away Cup win versus Manchester United.

Our Youth team fought hard against a side taller, heavier and older on average in the F.A. Youth Cup second round at Blackpool, earning a draw. A crowd of over 3,000 attended Monday's replay at Deepdale and saw North End again fight hard, to win by the only goal. In the next round we were drawn to visit Blackburn.

The directors this week reluctantly placed Brian Godfrey and "Nobby" Lawton on the open to transfer list at their own request. The club does not wish to part with either but it is not our policy to keep dissatisfied players. Godfrey took exception to being dropped and Lawton feels his game would improve with a move.

They have been good servants, and no doubt, will continue to give of their best as long as they remain on the club's books. Both were signed at very reasonable transfer fees. In the League, Godfrey has scored 39 goals in 67 appearances and Lawton, the captain, has played in more than 100 games in Cup and League.

WORLD CUP SERIES

Members of the F.I.F.A. "Bureau" meeting in London chose the official football which will be used during the World Cup Final Series. They made their choice from a total entry of 114 balls, submitted by seven British and two overseas manufacturers.

It was chosen in accordance with Law 2 of the Laws of Football, which prescribe that it must not be more than 28 inches (0.71 metres) and not less than 27 inches (0.68 metres) in circumference.

The weight must not be less than 14 ounces (396 grammes) and not more than 16 ounces (453 grammes). Of the footballs submitted some 50 per cent did not conform to the specification in some material particular or other.

Eventually, nine footbals which met the specification were selected for further examination. From these the final choice of the ball which will be used throughout the Series was made.

The official ball has 25 panels.

OUR VISITORS—*Bristol City*

Bristol City, who were promoted last season after five years in the newly-formed Division III, and had spent 20 of their previous 48 seasons of League football in the old Southern Section of that Division, make their first appearance at Deepdale for 30 years, and we extend to them a most hearty welcome.

Their last visit to Preston was in February, 1935, for a postponed fifth round F.A. Cup replay, both teams having failed to score in the game at Ashton Gate. We won this tie by 5-0, and in five Cup games, with Holdcroft under the bar, had not conceded a goal. Another Cup-tie with Bristol 30 years earlier ended similarly — 1-0 win for Preston, again after a goalless draw away from home.

In the League we last played Bristol City towards the end of season 1931-32, when they went down as the bottom Second Division club, with only 23 points, 10 fewer than were gained by relegated Barnsley. Yet, although achieving only six wins in that season, they beat North End by 4-2 and drew at Deepdale.

The game at Ashton Gate on March 19th, 1932, was their eighth in succession against Preston in which they had avoided defeat, the outcome being two wins for Bristol and six successive draws. Curiously, they were defeated at Deepdale in all their seven previous visits, and by 34 goals to only 5.

Following is the record of First and Second Division meetings of the clubs :—

five years, this being the era of the great England centre half "Smiler" Wedlock, and never again got into the First Division.

In fact after seven more seasons in Division II they suffered a further decline, and spent only 11 of the next 36 seasons in present company, once getting back with a record total of 70 points. In that season England international John Atyeo, rising to his prime, scored 28 of 101 goals.

In 1908-09, when in the First Division, Bristol City were F.A. Cup Finalists, losing to Manchester United at the Crystal Palace by the only goal.

They come to Deepdale with a powerfully built side, largely that which earned promotion last season and in the current period has fared well in a more testing class of football. Unbeaten at home they have attracted a gate average of 16,500, an increase of more than 4,000 on last season's average.

Seven of the team for to-day, as well as the twelfth man, are local products, and the remaining four were obtained for only moderate fees. The defenders all top 12 stone and another inch would make their average height six feet. The inside forwards are all tall and heavy, including two six-footers.

BRISTOL CITY PLAYERS

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that full use should be made of the car parks which are provided.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.
